

ABOUT THE FUNDRAISER

This fundraising event is in honor of Sil Bracalente.

Sil was a true sportsman and would never pass up an opportunity to go hunting, fishing, shooting, or just have some good old fashion fun with friends and family. Never taking anything too seriously, including himself, Sil was always the center of laughter and camaraderie.

Sil gave countless hours of his time and a significant portion of his wealth to many charitable organizations. There was no limit to Sil's generosity, whether it be our local church, hospital, Scouts, or just less fortunate people in need. Sil was always reaching into his pocket to help, selflessly.

The goal for this fundraising event is to have fun in honor of Sil and at the same time raise money for the local charities that we know Sil supported. Together we will memorialize his generosity and continue the legacy with the gift of giving in his honor.

So please support this endeavor with Sil in mind in any way you can, hopefully by attending this event with your friends and family, like he would have done.

I hope to see you there and thank you for your participation, support, and generosity.

Sincerely,

Ronald Bracalente

MISSION STATEMENT

The Silvene Bracalente Memorial Foundation was instituted to support and provide resources to the education of the manufacturing trades, with special emphasis on **PrecisionMachining**. And at the same time boost the image of manufacturing throughout our community, schools and most importantly the families that are raising our next generation. We form relationships and provide funding to academic institutions and other businesses with programs related to precision machining. We do this in honor of Silvene Bracalente and what he has taught us in his relentless spirit of giving and his love of this industry.

PURPOSE

To create a culture of learning and sharing among manufacturers and the education community. Lead by example by being responsible and forthright, and encourage others to do the same.

The Silvene Bracalente Memorial Foundation is a legally registered 501(c)(3), EIN# 47-3551108. All contributions are tax deductible as charitable donations. Our donations have included; Quakertown Community School District, Upper Bucks County Technical School, What's So Cool About Manufacturing, PA, Lehigh Career and Technical Institute, Career Institute of Technology, Bethlehem Area Vocational Technical School, Western Montgomery Career and Technology Center, Penn College, Thaddeus Stevens, North Montco Technical Career Center, Team Emma 4Ever Fighting Childhood Cancer, Church of Saint Isidore and Christ Church of UCC.
